Villa Shambala offers the best of modern tropical living with five ensuite bedrooms and ample space for private relaxation, deluxe entertaining and family activities. The sprawling property features a main living pavilion which houses the master suite, garden bedroom, living and dining areas, media lounge and a well-appointed modern kitchen while across the pool area you'll find the three additional bedrooms set in tropical gardens.

The inviting 19-metre pool is just one of the many family-friendly features. The comfortable media lounge boasts Satellite TV, a movie projector and a large collection of movies, books and games. This versatile villa is ideal for

holidays with extended family or groups of friends. With indoor dining for 10 and outdoor dining for 20, this villa is also the perfect place for a private birthday party or other small celebrations. The villa even has its own private spa room, so you can enjoy a relaxing Balinese massage and other luxurious spa treatments in the comfort of your private villa.

The fully staffed villa includes a villa manager, daily housekeepers and a personal chef to cater to your every need. The staff can provide a wide variety of Western and Indonesian meals for you and your family, and they can even do the grocery shopping for you. Villa Shambala is versatile, comfortable and convenient; the possibilities are endless.
