

FRV BALI – SKY LI

Edition 12.2 Sep - Nov 2015

VILLA SKY LI

From the moment you enter Villa Sky Li, you know you're in for something special. Everything from the statement art pieces and repurposed boat-wood furniture, to the vibrant colour scheme and subtle mood lighting, highlights the incredible attention to detail, fun and flair that the owner has put in into creating this stylish three-bedroom villa.

These personal and unique touches, combined with the care you receive from the villa's team of highly trained staff, which includes a manager and private chef, are guaranteed to make you feel instantly relaxed and at home.

Start the day with a fresh fruit platter and a cappuccino at the breakfast bar. Later, chill out at the poolside – you have a choice of cushioned bale, sun lounger or beanbag – and enjoy the tropical garden resplendent with frangipani trees and bright pink bougainvillea.

Retreat to the lounge and catch a movie or simply curl up with a good book. This comfortable room can be closed for air-conditioned comfort or opened to the dining room and kitchen to make one big convivial living space.

Tucked away in your private Bali oasis, it's easy to forget that there is a world of entertainment at your doorstep – Seminyak's iconic restaurants, hip cafes, first-class spas and unlimited shopping are all within walking distance, not to mention miles of sandy beach.

A stay at Villa Sky Li offers you the best of Bali; the space and privacy of a unique and stylish villa, a team of professional staff to look after you, and all right at the very heart of cosmopolitan Seminyak.
